May 17, 2017

### Present:

Penny Washburn, Alameda Branch  
Sarah Miyazaki, Berkeley Branch  
Sandy Hansen and Chris Alesso, Livermore-Pleasanton-Dublin Branch  
Becky Harlinque, Oakland-Piedmont Branch  
Elaine Eakin-Wong, Fremont Branch  
Sandy Boswell, IBC Liaison CA

The Hayward-Castro Valley Branch was host branch for the meeting and will take the minutes. The meeting was called to order at 7 PM.

### Items for Discussion:

- Review the IBC year
- Suggest potential IBC programs
- Collaborating with other like-minded agencies
- IBC Liaison for PY 2017-18

There was unanimous support for Sandy Boswell to continue as our IBC Liaison for Alameda County for another year. Sandy accepted the assignment.

A question was raised: Is IBC relevant? The discussion revolved around whether, or not our respective members know what IBC represents. A suggestion was made for each branch to include an article about IBC in their newsletter.

A suggestion was made to invite Dale Sataki, membership chair for Marin County, to speak at one of our upcoming IBC meetings. They have made significant inroads to reaching younger members. Some ideas for jointly sponsored programs include: LEAD, Work Smart, Start Smart, and Equal Pay Day. There was lots of talk about how to recruit and engage younger members: using Take Action blasts, assigning short term tasks rather than asking for long term commitments, and creating programs around AAUW research, like "Deeper in Debt".

There was discussion about creating an IBC website and/or Facebook page. Site Resources would be able to help, but maintenance is an issue. We will continue our discussion about making this happen in future meetings.

There was discussion about what AAUW CA can do to support branches. Some ideas included more publication of Tech Trek and email blasts about upcoming events. All branches are encouraged to utilize the CA and National calendars to advertise their events.
